

## TABLE OF AVERAGE PROGRESS OF AN INTERNATIONAL ITEM OF CORRESPONDENCE

The table has been compiled based on the results of the tests carried out by UNEX™ in 2023. The UNEX™ system is used to measure the time of international correspondence and has been joined by 40 postal companies around the world. Test letters are sent from more than 50 countries. Due to the Covid 19 situation, delivery times are not guaranteed.

### Posting from Estonia to the countries below:

COUNTRY	90% of letters delivered (PRIORITY)
